

Cambridge University Energy Network

Events + Easter Term 2015

1. **CUEN seminar 'Energy challenges in transportation in the UK'**

Date: Friday, 8th May, 5-7pm

Venue: LT2, Department of Engineering, Cambridge University

Speakers:

Dr John Lanham, Director @Bloodhound, Bloodhound SSC Project, UWE

"BloodhoundSSC - Making it go, keeping it safe and making it stop - some energetic perspectives on designing a 1,000 mph car"

Michael Wheeldon, Head of Mechanical, Cambridge University Eco Racing

"The role of solar power in the future of transportation"

2. **CUEN formal dinner – Clare Hall – 13th May, 7pm onwards**

CUEN would like to invite everyone interested in our society to join the committee members for the formal dinner. There will be a chance to talk to committee members, find out more what CUEN activities are, what network we are involved in. We believe it is an amazing opportunity to get involved and join the CUEN committee next year.

Please let Michal Filus (CUEN Secretary) know by mail (mtf34@cam.ac.uk) (*BY 10th MAY*) if you are attending (with your dietary requirements).

Venue: Clare Hall college, Herschel Road

Date: Wednesday, 13th May, 7pm pre-drinks, 7.30 dinner

Cost: 14.50 GBP (with wine included)

3. **CUEN seminar 'Tidal Energy in the UK'**

Date: Thursday, 14th May, 4-6pm

Venue: LT1, Department of Engineering, Cambridge University

Speaker:

Ton Fijen, Engineering Director, Tidal Lagoon Power

"Swansea Bay Tidal Lagoon: a blueprint for a new kind of energy infrastructure"

4. **CUEN Annual Energy Conference 2015**

'Sustainable Energy Prices: Unravelling the Nexus'

Date: Thursday, 11th June

Venue: Murray Edwards College, Cambridge University

Speakers confirmed:

- Prof Michael Pollitt, Cambridge Judge Business School
- Stephen Tindale, Research Fellow, Centre for European Reform
- David Hone, Chief Climate Change Adviser, Shell International Ltd.

Registration for the conference will be open soon. Please check out the website: www.cuen.org.uk and Facebook page (The Cambridge University Energy Network) for more information and for staying updated.

All the questions regarding events – please email the CUEN Secretary, Michal Filus (mtf34@cam.ac.uk) or the CUEN President, Tae-Hoon Kim (thk22@cam.ac.uk).

Best wishes and hope to see you all at the CUEN events.

Michal Filus
CUEN Secretary
